1. Why are you interested in becoming a captain for Waconia High School Soccer?
2. What does being a captain mean to you?
3. Describe what qualities are present in an effective communicator (only 3 sentences needed).
4. What qualities do you possess that would help you in this position?
5. How would you define the role of a "Captain" for WHS?
6. Describe what you would do in the following scenarios:
 - a. A group of players on the team have been partying during the offseason. They regularly hang out with students and go to parties where there is drinking and/or drug use. You've learned this is going on, but the coaches are completely unaware it is happening. How would you handle this situation?
 - b. Your best friend has been on the team as many years as you have. They really wanted to be a team captain but weren't chosen. After the selection process their attitude becomes very poor, they are late on purpose, don't try hard in practice and talk badly about coaches and their teammates. How would you handle this situation?
 - c. A player who was on Varsity last year does not get selected after tryouts to be on the Varsity team. They tell you that they want to quit soccer, how would you handle that situation?

If your responses are acceptable to the coaching staff, you will be selected for an interview. The interview will be conducted by Coach Woyno and other members of the staff. You will be notified via e-mail whether or not you are selected for an interview. You will be notified of when the interview will take place.

Although parents of selected captains do not apply for the role, there is an expectation that athlete and parent will work together to help lead any necessary off-the-field activities/events. Prior to signing this form, you must discuss with your parents and ensure that they are willing to assist you and the program.
